## Statement of the Progress In Kettering Committee

"Over the years, the city of Kettering has gained broad recognition for its innovative government and progressive programs. Kettering's official motto is 'Founded on Progress'. Continuation of this progress necessarily requires a balance of experience, education and abilities in the individuals serving on council and as mayor. Charles F. Horn, John W. Griffith and Arlo D. (Bud) Ragan, Jr. present a balance in years of governmental experience, education and professional expertise while also offering opportunities for new approaches and fresh ideas.

We believe that Mayor Horn, Councilman Griffith and Mr. Ragan offer the people of Kettering the best selection of candidates in the November 6th election. Each of the three have proven themselves as open-minded, able and forward-looking public servants."
